

The Honorable Michael K. Powell  
Chairman  
Federal Communications Commission  
445 12th Street, S.W.  
Washington, D.C. 20554

Dear Chairman Powell:

We are a supplier of DSL hardware to ISP's Nationwide.

We have seen many of those ISP's suffer from the practices of the large ILEC to make it impossible for the ISP to offer DSL solutions to their clients.

As a result, our company, along with other suppliers to the ISP's, suffer from our inability to sell DSL or other products to those ISP's. Therefore, a chain reaction of lost business can be seen due to those practices.

Please take actions to protect the ISP's and suppliers like us who depend on them for our future.

Sincerely,

Neal Cennamo
